If the car is a pre-facelift A8  
(USA/CAN years 1997 to 1999),  
there is a conversion kit  
specifically for this model version.  
If the A8 or S8 is the facelift  
version (years 1999.5 to 2003),  
there is another slightly different  
model-specific fitting kit. Model  
versions and slight styling  
differences aside, the  
transformation is fantastic and  
fully updates the car.
