with a slipstitch. To slipstitch, simply insert the hook in through the stitch and the loop the yarn over.

Dreamcatchers are claimed to filter dreams, allowing only nice dreams to reach the sleeper! Dreamcatchers are typically fashioned of wood and thread, metal and stones, or both, but it is not rare to encounter one that was crocheted. Crochet dreamcatchers can be quite beautiful, especially when embellished with beads, stones, and feathers. They might also be a thoughtful gift for a collector or someone who believes in the magical abilities of crystals. Although crocheting a dreamcatcher isn't difficult, having a design to work from is usually beneficial, especially for beginning crocheters. Using a pattern to create your artwork may not result in a one-of-a-kind finished product, but it will certainly speed up the process.

"Learn how to make over seventy macramê knots and small repeat patterns, then use them to create a wide range of projects. Each knot is shown in a close-up photograph with clear step-by-step diagrams showing how they are tied. Starting with the basics, the knots progress on to more complicated and complex designs, but as all are clearly diagramed it is very easy to follow along. This invaluable guidebook opens with a discussion of the different types of threads or cords available, shows a range of clasps and other findings, plus covers the types of

beads to use. It also includes lots of tips and useful information like how to set up your work board, and other helpful lessons like how to keep track of the cord ends for less confusion. The thirty-three projects range from simple jewelry pieces like the classic friendship bracelet and watch straps to more complex ones like a variety of bags and baskets. Translated from the Japanese, Macramê pattern book is an outstanding resource for both new and more experienced "knotters."--

Crochet How To Make Dream Catchers When it comes to the world of crafting, more often than not you are stepping into new worlds. New cultures. New ways of life. Crafting gives you the opportunity to take a step out of the world and culture you are used to living and, and transports you into an entirely new way of life. Dreamcatchers have captured our attention for decades, and to this day, they are one of the coolest things you can use to decorate your home. But, you don't want just any old dream catcher. You want one that is unique... that's as catchy as you are. And, the fact of the matter is that you can make these yourself, all you have to do is follow very simple directions. You can use minimal items, your creativity, and your imagination to make them as simple or as elaborate as you like, and I am going to show you how. Learn how to crochet dream catchers Learn how to use your own style and flare in each one you make Indulge in the variety as you mix and match each one Appreciate works of art in something so simply elegant Have fun and let your creativity come through with classic art And more!

Dreamcatchers are quite a special decorative item. They are meant to have mystic properties and they are often given as gifts for protection. Some people, however, may just like the look of a dreamcatcher and the sounds that it makes when it catches the wind. Dreamcatchers are usually made from wood and string or metal and stones, but it is not uncommon to see a piece that was made using a crocheting technique. In fact, crochet dreamcatchers can look quite stunning, especially if adorned with beads, stones and feathers. They can also be a very thoughtful gift for a collector or someone who believes in their mystic properties. Making a crochet dreamcatcher isn't the most difficult of tasks, but having a pattern to work from is always helpful, especially for inexperienced crocheters. Using a pattern to make your piece may not result in a unique final product, but it will definitely hurry the process along. So if you'd like to make a dreamcatcher for yourself or a loved one, please feel free to look over our Crochet Dream Catcher Patterns and Tutorials.
