In the lesser known work Jailbird , Vonnegut plays with absurdism of a kind markedly different from his own characteristic style: one that refers to both the fecundity and futility of the social, political and ideological realities of our world. This book is ostensibly about Walter F. Starbuck; who went to Harvard and later to prison for tangential involvement as a (largely forgotten) public servant in the Watergate scandal; and his first 24 hours as a free man.

About Jailbird "[Kurt Vonnegut] has never been more satirically on-target. . . . Nothing is spared."-People Jailbird takes us into a fractured and comic, pure Vonnegut world of high crimes and misdemeanors in government-and in the heart. This wry tale follows bumbling bureaucrat Walter F. Starbuck from Harvard to the Nixon White House to the penitentiary as Watergate's least known co-conspirator.

~~Jailbird by Kurt Vonnegut: 9780385339900 -~~

So Walter is suddenly made a corporate bigwig, and, when Mary Kathleen secretly dies, he illegally (but well-meaningly) keeps the company going. . . and winds up a jailbird again. Rich/poor, honest/criminal, management/labor-Vonnegut is playfully exploring the ease with which an American Everyman can alternate between these ostensible extremes.

~~JAILBIRD | Kirkus Reviews~~

"She believed, and was entitled to believe, I must say, that all human beings were evil by nature, whether tormentors or victims, or idle standers-by. They could only create meaningless tragedies, she said, since they weren't nearly intelligent enough to accomplish all the good they were meant to do." - Kurt Vonnegut, Jailbird II likes

~~Jailbird by Kurt Vonnegut - Alibris UK~~

Kurt Vonnegut approaches vital themes as honestly as anyone with a wise whimsy that makes your mind grow and your heat warm. Jailbird is perhaps not as laugh-out-loud funny as, say, Breakfast of Champions, but it presents a very piercing argument and perspective within a wonderfully endearing tale.

~~Jailbird - Kindle edition by Vonnegut, Kurt - Literature -~~

Written in the aftermath of Watergate, Jailbird is, of course, an attempt to order those catastrophic events and to find some rationale or meaningful outcome, and, as is usually the case with Vonnegut's pyrotechnics, there is no easy answer, or perhaps there is no answer at all.
