Research Methods in Criminal Justice and Criminology ...  
As a research method, a survey collects data from subjects who respond to a series of questions about behaviors and opinions, often in the form of a questionnaire. The survey is one of the most widely used scientific research methods. The standard survey format allows individuals a level of anonymity in which they can express personal ideas. Questionnaires are a common research method; the U.S. Census is a well-known example. (Photo courtesy of Kathryn Decker / flickr)
