The United Methodist Hymnal provides what the congregation needs for Sunday and other times of worship (including the sacraments): the rites of marriage and burial, and morning and evening prayer and praise. Additional worship materials are topically placed among the hymns; other prayers, litanies, and creeds follow the occasional services.

United Methodist Hymnal and Faith We Sing CDROM

-- All-new, expanded version of the classic book that set the tone for the contemporary worship movement -- The signature book from worship pioneer Jack Hayford, founding pastor of one of the best-known churches in America, The Church On The Way -- Integrity Music will be co-promoting this product along with their music CD of the same title from Jack Hayford. The Father certainly doesn't need our praise, yet He prescribes worship as a daily activity. Why? Because, as pastor Jack Hayford clearly shows us, God graces His people with worship as a gift, not a demand. Worship liberates all of God's people to discover genuine wholeness, but only as they recognize and acknowledge the holiness of God. Hayford examines the lives of more than a dozen biblical figures to illuminate the fulfilling effects of worship -- including seven truths Jesus revealed about the blessings of praise. God's grace fills everything He gives -- and everything He calls us to do. And this same grace overflows in a special and unique way on all of us who humbly and wholeheartedly worship God.

Collects 150 hymns, explains the history of each hymn, and includes biographical information on the authors.

This hymnal supports the full range of actions in worship. It is designed to serve those involved with group singing, worship planning, praise teams and choirs, choral conductors, personal and family devotions, pastoral care, and small groups. In addition to hymns and psalms, the second half of the hymnal includes prayers, litanies and liturgies.

The Worship & Song Leader's Edition contains the same music as the Pew Edition but is enlarged in size so that it can be used by worship leaders on a music stand or lectern. Also included are additional indexes useful to leaders planning for worship, a Scriptural Index, and the entire Worship Resources Edition. The Worship Resources Edition includes prayers and statements of faith (non-musical spoken acts of worship) organized by the Christian Year. It also includes indexes using topics and categories, and first lines. The Faith We Sing was published in December 2000 and has now sold more than 1 million pew copies to more than 3,000 churches. Since that publication date, much new music has been written for congregational worship. This follow-up is available in six editions: Music Pew Edition, Leader's Edition, Singer's Edition, Accompaniment Edition, Worship Resources Edition and Presentation Edition. Worship & Song distinguishes itself from The Faith We Sing because it contains services, acts of worship, and other worship resources.
