Every business - and business plan - can profit from keeping up with IT advances. Join us as we reveal how to give yours an upgrade. Includes: Best Business Apps, Gadgets, Online Services - Social Media Secrets: Facebook, Twitter, Google+ - Advertising and PR on Any Budget - Online Marketing and SEO - IT Security Tips - How to Start Any Business Overnight "The one book every entrepreneur should keep handy." Gary Shapiro, CEO, Consumer Electronics Association

Whether the topic is understanding e-business, six sigma, workplace violence, knowledge workers, Internet job searches, or visionary leadership, Stephen Robbins and David DeCenzo cover it thoroughly and in a way that truly captures the issues facing managers in the twenty-first century. Its not enough just to know about management you have to possess the skills to match! With Robbins and DeCenzos new edition, youll learn so much about the real world of management, including: *Why Amazon.com is revolutionizing the book-selling industry *How SiloCaf, a coffee bean processing plant, uses sophisticated technologically-based controls to enhance productivity and ensure consistent quality in its work *Why companies like London Fog are struggling to survive *How teams at Hewlett-Packard redesigned a production process, cut waste, controlled costs, and increased productivity *New techniques that can make a university more efficient and responsive to its students

An argument for retaining the notion of personal property in the products we "buy" in the digital marketplace. If you buy a book at the bookstore, you own it. You can take it home, scribble in the margins, put in on the shelf, lend it to a friend, sell it at a garage sale. But is the same thing true for the ebooks or other digital goods you buy? Retailers and copyright holders argue that you don't own those purchases, you merely license them. That means your ebook vendor can delete the book from your device without warning or explanation--as Amazon deleted Orwell's 1984 from the Kindles of surprised readers several years ago. These readers thought they owned their copies of 1984. Until, it turned out, they didn't. In The End of Ownership, Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace, and make an argument for the benefits of personal property. Of course, ebooks, cloud storage, streaming, and other digital goods offer users convenience

Read PDF Verizon Lg Accolade User Guide

and flexibility. But, Perzanowski and Schultz warn, consumers should be aware of the tradeoffs involving user constraints, permanence, and privacy. The rights of private property are clear, but few people manage to read their end user agreements. Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits. But, most important, it would affirm our sense of self-direction and autonomy. If we own our purchases, we are free to make whatever lawful use of them we please. Technology need not constrain our freedom; it can also empower us.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Stay on the cutting-edge with the gold standard text that reflects the latest in marketing theory and practice. Marketing Management is the gold standard marketing text because its content and organization consistently reflect the latest changes in today's marketing theory and practice. Remaining true to its gold-standard status, the fourteenth edition includes an overhaul of new material and updated information, and now is available with mymarketinglab-Pearson's online tutorial and assessment platform. 0133764044 / 9780133764048 Marketing Management Plus 2014 MyMarketingLab with Pearson eText -- Access Card Package Package consists of: 0132102927 / 9780132102926 Marketing Management 0133766721 / 9780133766721 2014 MyMarketingLab with Pearson eText -- Access Card -- for Marketing Management

"Sharp and engrossing . . . A powerful illustration of the obstacles our society continues to throw up in the paths of ambitious young women, and the ways that institutions still protect and enable badly behaving men." --The New York Times Book Review "A very important read . . . frightening but also very empowering." --Gayle King, CBS This Morning The powerful and inspiring story of the young woman who faced down one of the most valuable startups in Silicon Valley history Named a Most Anticipated Book of 2020 by Vogue, Forbes, and Cosmopolitan Susan Fowler was just twenty-five years old when her blog post describing the sexual harassment and retaliation she'd experienced at Uber riveted the nation. Her post

would eventually lead to the ousting of Uber's powerful CEO, but its ripples extended far beyond that, as her courageous choice to attach her name to the post inspired other women to speak publicly about their experiences. In the year that followed, an unprecedented number of women came forward, and Fowler was recognized by Time as one of the Silence Breakers who ignited the #MeToo movement. Now, she tells her full story for the first time: a story of extraordinary determination and resilience that reveals what it takes--and what it means--to be a whistleblower. Long before she arrived at Uber, Fowler's life had been defined by her refusal to accept her circumstances. She propelled herself from an impoverished childhood with little formal education to the Ivy League, and then to a coveted position at one of the most valuable companies in the history of Silicon Valley. Each time she was mistreated, she fought back or found a way to reinvent herself; all she wanted was the opportunity to define her own dreams and work to achieve them. But when she discovered Uber's pervasive culture of sexism, racism, harassment, and abuse, and that the company would do nothing about it, she knew she had to speak out--no matter what it cost her. Whistleblower takes us deep inside this shockingly toxic workplace and reveals new details about the aftermath of the blog post, in which Fowler was investigated and followed, hacked and threatened, to the point that she feared for her life. But even as it illuminates how the deck is stacked in favor of the status quo, Fowler's story serves as a crucial reminder that we can take our power back. Both moving personal narrative and rallying cry, Whistleblower urges us to be the heroes of our own stories, and to keep fighting for a more just and equitable world.

Strategic Management: Text and Cases, 2nd Edition, by Dess/Lumpkin/Eisner is both readable and rigorous - written for today's student. A rocket-ship in its first edition, the revision continues to provide solid treatment of traditional topics in strategic management, as well as contemporary topics like entrepreneurship, knowledge management, and internet strategies. The prestigious author team understands the importance of thorough, modern concepts illustrated by rich, relevant and teachable cases. The new case selections emphasize variety, currency, and familiar company names. The cases are up-to-date in terms of both financial data and strategic issues. This group of cases gives both instructors and students unparalleled quality and variety. Based on consistent reviewer feedback, these selections combine comprehensive and shorter length cases about well known companies.

Psychology.
